School Newsletter

Thank you to all the students, staff and families at Yuendumu School for a fabulous term 3. This term students have participated regularly in Learning on Country trips with the support of Yamurna, Jangala and John. Students have been working together as proud, caring learners in their classes, on trips and in the school yard. We are all looking forward to a busy term 4, and encourage families to support their children to come to school every day for more learning.
