What learning
looked like in:

- North camp
- East Camp
- South Camp
- Central Camp
- Central-West Camp
- West Camp

Principal's Message

Yuendumu School has a COVID Safety plan in place to make sure all students and staff are kept safe. We now are offering extra school options in the community, in West, South, North, Central, Central-West and East. Teachers, yapa and kardiya, are helping to support these programs. We also have lots of parents volunteering to help. Thank you to everyone for keeping our kids safe and learning!

The New Teachers

Eleanor

Hey, I'm Eleanor and I will be teaching T-2 Ninii this year. I moved to Yuendumu from Melbourne with my Husband, Sam, who will also be teaching at Yuendumu School. When I am not teaching, I love doing creative things like dancing, cooking and listening to music. I also really enjoy finding a good book to read. If you see me around, please come and say hi as I am very excited to meet lots of new people here.

Samuel

Hi everyone, my name is Sam, I am a new teacher to Yuendumu School and will be teaching the 5-7 Lungkarda class. Some things that I love are art, basketball, coffee and good food, taking photos and going on adventures. I have a big family back in Melbourne with 7 siblings. My wife is Eleanor, who will be also teaching at the school, and we can't wait to meet everyone and are excited to experience new things here in Yuendumu!

Ellie

I'm Ellie, the new T-2 teacher. I grew up on a broadacre farm in Condobolin, NSW with my parents and three sisters. I graduated from The University of Sydney in 2012 with a Master of Teaching and taught at an international school in Sweden for the first two and a half years of my teaching career. Since returning to Australia I've been teaching at Glebe Public school, in Sydney, as an EAL/D and literacy intervention teacher. I've wanted to work in a remote community ever since became a teacher and now feel qualified and ready for a new adventure. I've really enjoyed getting to know the south camp families over the last three weeks and look forward to getting to know other members of the community.

CFC and FAFT

FaFT - Families as First Teachers - parent capacity building program. We welcome Shangami to the Family Educator role for 6 months whilst Maddie is on maternity leave.

She works with Shimera and Nikitta Sampson as Family liaison staff. Shimera, Nikkita and Shangami are visiting families with learning games and toys to keep families supported at home as part of the 'School in Community' program we are running.

FaFT is planning a Baby party when we open, so please let all new parents know to contact us to be part of this celebration for every baby and family. We can't wait to meet all the new members of Yuendumu community.

Contact us through the FaFT Facebook, or the Child and Family Centre Facebook

North Camp

We have been having fun playing sports at the basketball court and swimming everyday to beat the heat. We have been learning with our workbooks, doing our maths, english and Warlpiri.

East Camp

We went on a bush trip to hunt for honey ants, and found heaps of them! We are doing lots of learning about our spelling and maths.

Central-West & West Camp

We have been learning about the Warlajja Theme and reading Warlpiri books together. We have been playing football and games at the basketball court. We have been cooling off swimming at the pool!

South Camp

We have been learning about our families for the Warlalja Theme this term. We are writing our skin names and drawing our family members. Steffani makes the food packs everyday to deliver to families as well as resources!

At School

Diana is the school's COVID Supervisor. She organises the RAT tests that are given to teachers and ensures that visitors check in.

Teachers getting recess and lunch packs ready to deliver to the camps.

EXCITING NEWS

Trish will now be teaching the Senior Yankirri Class in 2022! This term she has been teaching in East Camp.
