manu yakajirriki, yungulu pina-jarri yupujurla.

Muurlparlu yanta kajinkili yani wurna kurdu-kurdu-kurlu.

Mike & Yamurna

Yamurna

Hello everyone,

As you will see from this newsletter it has been another busy term for Yuendumu School. Students from FAFT right through to Year 12 have been busy with their learning and having a great time at school.

We continue to teach our school values – yulkanjaku, jintangka, pukurl-pukurlpa – so that all students are able to be safe and happy at school.

One of the most exciting things to happen this year is the beginning of the Pilot Program for RATE. We now have 7 of our staff members commencing training in a Bachelor of Teaching through CDU. At the end of this course they will be fully qualified teachers, able to teach anywhere in Australia (but we hope they teach at Yuendumu School!). Congratulations to Yvonne Gallagher, Sabrina Granites, Trish Lechleitner, Nancy Collins, Ulrich Wilson, Cynthia Wheeler and Samantha Watson on being the first new students to be enrolled. We also have many Yapa staff continuing Certificate III and IV in Education through Batchelor Institute. We are so lucky so have so many committed Yapa staff who make our bilingual and bicultural school possible.

Our students continue to improve with their reading in Warlpiri and English. We are happy to send books home if you would like to read with your children at home – just ask their classroom teacher.

We have also worked with Clontarf again this term on a footy program with our Grade 5 and 6 classes. They have done a great job and a group of students travelled into Alice Springs to compete against Ntaria and visit the pool and cinema.

We have new school uniforms this year, with a design by Samantha Watson and generously funded by GMAAAC. GMAAAC and WETT continue to fund a number of important programs at our school and we really couldn't do all the great work we do without the ongoing support of both the GMAAAC and WETT committees.

We finished the term with an Easter-themed Warlaja Day and a number of families came to see their children's classroom, try out some fun activities, read with children and have a delicious BBQ. The families who came had a great time and we are grateful to all the parents, grandparents, aunties, uncles, cousins, brothers and sisters who took the time to come and visit our school.

Have a happy and safe Easter holiday and see you all again in Term 2, where Country Visits will be the highlight in Week 8!

Mike Jakamarra Timewell

# Jinjiwarnu cafe

Jinjiwarnu Café has been operating for two years now and we have a strong customer base who support student learning. Our community is important to us and we are grateful for the relationships that have been built through this fantastic program. As a 'thank you' our students wanted to donate to two wonderful organisations – The Old Peoples Program and Gloria's Dog Program. Please see these photos that demonstrate jintangka, yulkanjaku and pukurl-pukurlpa.

Jinjiwarnu purranja-kurlangu cafe ngulajulu warrkijarrija kurdu-patu jirrama yiyaku. Panujarlu yapa manu kurdiyalu kalu lanji payi-mani warrarda. Nyangkalu photo-wati kanunju certificate pipa-kurlu Purple House-jangka manu Warlukurlangu-jangka.

# FaFT

This term at FaFT, families have been focusing on engaging their children in Learning Games. These educational games allow parents to teach their children different skills such as listening, communicating, working together as well as learning about many things such as sizes and colours, recognising their names, how to pack away, and much more. Children love engaging in learning games with their families and other children. Mum's at FaFT enjoy reading to all the children and making group activities that engages everyone. We have had a great term at FaFT with our strong mums, families and children

FAFT-rla kurduku palangurlu kalu jana wita-wita pina-mani kayimiki manyu-karrinjaku manulu pina-jarrinjaku nyarrpa kuja karlipa purda-nyanyi yapa-kari, manu wangkami manu warrki-jarri jintangka.
